

Booth Height Approval

Return: Immediately but not later than 8 weeks before the start of the event

Correct as of: 04/2019

This form is intended to make it easier to obtain permission for non-regulation booth heights from neighbouring booths in compliance with Technical Guideline 5.3.

Dear Sir/Madam,

Our booth exceeds the regulation height of 3.5 m at the edge bordering on your booth therefore we are writing to request your written consent

We enclose a diagram of the booth with all the relevant dimensions.

Event: _____ Our booth number: _____ Your booth number: _____

Thank you and best regards,

Date / signature of exhibitor
